## CEC Team Off to Toronto

Saturday, April 27, 2019 was an exciting day for Cobequid Educational Centre's Reach for the Top Team. Late in the afternoon at Dalhousie's Agricultural Campus, they defeated Auburn Drive Eagles in a very close game (final score of 320-290) to be declared Nova Scotia Provincial Champions for the second year in a row.

Hants East defeated Dartmouth High in the consolation final. The Cougars are now off to

Toronto the last weekend in May to complete in the Reach for the Top Nationals. Several of the students on the team are from the Shoreline community including Brett, Ryan, Natalie and Jason! The kids will once again be working hard to fundraise for their upcoming trip over the next month.

Dr. Chris Cutler presented CEC's Team with a \$1000 cheque to kick start the fundraising campaign.

The Shoreline Journal is pleased to announce it will sponsor a photo contest with prize packages of at least \$500. Contest details and rules have not been finalized. Pictures should be of the local area and must be at least one of all four seasons.

If you believe some of the most picturesque places in Nova Scotia exist along Highway #2 in Cumberland and Colchester Counties you probably have taken pictures for ages. Tourism in the area has been increasing, but soon it is expected to show significant increases in the next couple of years. More local photography will be required.

Photo buffs have until January 15, 2020 to select their favourites, but must include all four seasons. Deadline for submission will be January 15, 2020. Categories, prize packages, contest rules and how to submit will be announced by June 15th.

## Search for Home Invasion Suspects

(This notice was posted on the Shoreline Journal's Facebook Page)

On April 12 at 10:38 p.m., three men smashed through a patio door to enter a home on Mines Bass River Rd. in Montrose, Colchester County. They pointed long guns at a woman who was in the home, demanded she get down on the floor, and used zip ties to secure her wrists. They ransacked her home and stole a quantity of marijuana and several firearms. They fled the home and left in a vehicle, headed towards Bass River.

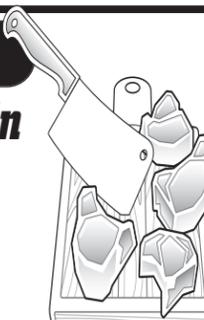

The woman was not hurt. She was alone in the home at the time of the robbery. Once the men left, she called her boyfriend, who called 911. RCMP responded, and called a

police dog and Forensic Identification Services to attend the scene and assist. Police did not locate the suspects and are continuing their efforts to find them.

A total of seven firearms were stolen, including five long guns and two handguns. One handgun has the firing pin removed and the other is a muzzle loader.

Police do not feel this was a random act. Anyone with information about this incident is asked to contact Colchester District RCMP at 902-893-6824 or should you wish to remain anonymous call Nova Scotia Crime Stoppers toll free at 1-800-222-TIPS (8477), submit a secure web tip at [www.crimestoppers.ns.ca](http://www.crimestoppers.ns.ca), or use the P3 Tips App.
