Bandstand in the Hall

Yes Rob is at it again with creativity and will present during the month of May Concerts in the Park will start at the Hall. Concerts will start on Sunday May 5, 12, 19 and 26 at 7 pm. We will pass the hat and donations will go to the musicians charity of choice.

On May 12 Bucko Dawson and friends will perform a 2 hour concert with donations going to the hall. The first half will be Bucko Dawson performing his own tunes and the last half he and his friends will perform a tribute to Merle Haggart. Bucko is no stranger to the music scene here in the area. Just a great guy who loves to perform. Don't miss any of these concerts. Concerts on the Park start on June 5 and goes through June, July and August at 7pm

Spring Concert Monday May 26

If pick up is needed or you require more information call The Hall at 902-728-2013 and Brenda Wheaton will return your call.

We will once again have a selection of books, a large bake table which we would gladly accept your donations.

We will also have Jr. Willigar with his garden art and Krista Odllins Garden Aprons and Accessories.

We are excited to report we will also host the Parrsboro Garden Club who always have a great selection of indoor plants as well as perennials.

Tickets will be available on 3 pieces of Garden Art donated by Jr. Willigar, and will be drawn for on that day. Memberships will also be available that day. Hope to see you at the Plant Sale of the year. Come join in the fun.

COVID-19 Vaccine Spring Dose Eligibility

Nova Scotia is following recommendations from the National Advisory Committee on Immunization (NACI) to provide people at highest risk a spring dose. This includes:

- people 65 years of age or older
- people aged 18 and older living in long-term care, nursing homes, senior congregate living settings or residential care facilities
- people six months and older who meet the criteria for being moderately to severely immunocompromised due to an underlying condition or treatment
- people aged 50 years and older who identify as Black, African Nova Scotian or First Nations

The COVID-19 Spring Dose is available through your primary care provider, Nova Scotia Primary Care Pharmacy Clinics and Public Health Mobile Units. It is recommended that people wait six months after their last COVID-19 vaccine or infection to get a vaccine dose but a shorter interval of at least three months is allowed for the spring dose.

Those eligible can receive the spring dose until May 31, 2024.

People who did not receive a dose in the fall or winter can continue to get the vaccine, even if they are not eligible for this specific spring campaign.
