Helping Families and Businesses Recover From Flooding

After a disaster, people sometimes need help to get back on their feet.

The province is providing disaster financial assistance for people in Colchester, Cumberland, Hants and Pictou counties, and Halifax Regional Municipality. In fact, we have increased the maximum allowable assistance to \$80,000 for individuals and small businesses and \$200,000 for not-for-profit organizations.

If you have uninsurable damages created by the heavy rains of September 9 - 11, you may be eligible. **Apply by December 10 at www.emo.gov.ns.ca.**
