Chiganois Terry Fox Pie Throwing- the staff members who received pies in the face were all great sports knowing the money raised, a grand total of \$4838.65, was all going to the Terry Fox Foundation for Cancer Research. (Harrington Photos)

Ella Rogers was the top fund raiser for the Chiganois Terry Fox Run and she chose Mr. Harnish for her pie.

Mr. Gunn laughs off a direct hit in the face with a cream pie.

Principal Kevin Harnish was a good sport after receiving 5 pies in the face.

Mr. Gunn challenged the students to raise over \$4500 for the Terry Fox Run and promised he would wear what ever costume the student who raised the most money picked. The school raised \$4838.65 and Ella Rogers was the top fund raiser. She chose a tooth fairy costume for Mr. Gunn.

Mrs. MacLeod has a racoon look after getting a pie in the face.

Chiganois Elementary Notes

By Linda Harrington

October was Mi'kmaq History Month, with Treaty Day held on October 1st. Mental Illness Awareness Week was recognized on October 1st - 7th

Virtue Assembly was held on Oct. 2nd and Thankfulness was introduced as this month's virtue with the following concept: I will show gratitude through my emotions and attitude. I will show thanks when I receive a benefit from someone else or when I give to others through my thoughts, words and actions.

The Terry Fox Run was held on Oct. 2nd with an outstanding amount of money raised for the Terry Fox Foundation and Cancer Research. The GRAND TOTAL was \$4838.65. Mr. Gunn kept his word and wore a Tooth Fairy outfit the following Friday. Top fund-raiser Ella Rogers got to pick his outfit for the day.

The Terry Fox Pie Throwing Assembly was held on Oct. 6th, as well. Thank you to the staff for showing such great community spirit. Each student who raised over \$100 was allowed to throw a pie at their choice of staff and a total of 24 pies were thrown. Mr. Harnish received 5 pies and Mrs. McLeod received 4.

The six-week Mad Science after school program has been running since Oct. 2nd and will continue until Nov. 20th for the Grade 3-5 students and Oct. 4th to Nov. 8th for the P-2 students. The topics students will explore are Under Pressure, Chem-Mystery, Fantastic Fliers, Super Structures, Fun-damental Forces and Science of Magic.

The Canadian Federation of Musicians visited the school with S'Cool Sounds on Oct. 4th.

Family Halloween Dance was held on Oct. 26th. There

were several fun activities and everyone enjoyed wearing a costume and dancing the evening away.

The students at Chiganois school have the privilege of accessing a universal breakfast program each morning. The school would like to thank a special person for the anonymous donation again this year to help support this program. Without these types of donations, the program would not be able to run for the entire school year.

Grade four and five students are actively involved in our school's leadership team. The students are helping to support the school through their efforts to be positive role models for one another and create an atmosphere of responsible citizenship. They are eagerly helping out in a variety of capacities through a schedule of activities, such as playground equipment helpers, recycling and cafeteria helpers (with the younger students). The students meet bi-weekly to discuss and brainstorm ways they can enhance our school community. Their efforts are appreciated along with the support of Mrs. Matte, school Guidance Counsellor.

The PTG held their first meeting on September 26th. This year the group is looking for someone to step up as their Vice President. The 2017-2018 Executive is Jen MacKay (President), Shelley Vandenburg (Treasurer), and Amanda Eisses (Secretary). Please come out and support your children's school. The next meeting will be held in November. Everyone welcome! Please see the back of the newsletter for PTG News, Upcoming Events & Activities.

The Chiganois Remembrance Day Service will be held on Nov. 10th at 9:30AM in the school auditorium.

Palliser Renamed "Fundy Discovery Site"

Continued from page 1

proved a phasing plan for the Fundy Gateway project, now Fundy Discovery Site, with an interim capital budget to begin on Phase 1A, comprising a natural playground, public washrooms, dyke trail and service extensions.

The entire phase is expected to cost \$465,000 with \$290,000 approved by an interim capital budget from the municipality, plus \$75,000 from the province and \$100,000 allocated internally from the Municipality's Recreation budget.

The natural playground segment was budgeted at \$90,000. Luckily all five tenders received were on or below budget.

After review by staff, they recom-

mended council award the playground tender to the Design/Build Team of Upland Planning & Design and Cobequid Consulting, at a cost of \$86,170, excluding HST. Other tenders received included Hornbeam Contracting, \$86,000, while Turf Master / Viridis; Tessier Recreco Parc and Bienenstock all submitted bids at \$90,000. The motion to approve was moved by Deputy Mayor Masters, seconded by Councillor Taggart.

Also in June council approved an interim capital budget for the Fundy Gateway Project which among other things, includes \$125,000 for the extension of a central water line from Meadow Drive (off Robie Street) to the former Palliser

property. The tender for the water line extension does not close until November 2nd.

On a motion by Councillor Boutillier and Deputy Mayor Masters council authorized the CAO to award the tender for the water line extension in Lower Truro if the tender results are not more than 10% of the project budget of \$125,000 (inclusive of rebated HST), and; in the event the tender price is higher than \$137,500 (inclusive of rebated HST), Council authorizes Council Committee at its meeting on November 16, 2017, to consider options regarding the award of this tender.

Church Services for November

By Christine Urquhart

Church services for the month of November will be, probably, shared between Glenholme and Debert, as the Masstown United Church plans to close down for the winter months after the Church service on Sunday October 29th. There is a congregational meeting after this service to actually decide this but we must face facts and the facts are that not enough is coming in the offering plates to cover the expenses.

If you have any ideas how we can increase these amounts, please, come to this meeting and tell us! Anyway, if all goes as planned, services for the month of November will be, all at 10am with Sunday School,

November 5 - Debert,
November 12 - Glenholme,
November 19 - Debert and
November 26 - Glenholme.

If you are interested, our Church does Fundscrip - gift cards for local businesses. Instead of the businesses getting the percentage offered by the card companies, the Church gets the percentage! A great way for our Church to make a little extra cash while helping you with your gift card needs! For more information, please contact Chris Urquhart 902-662-3550.

SUNDAY WORSHIP
COME AS YOU ARE!
