

Cullip Holdings Wants to Construct 11 Units for Seniors

By Maurice Rees

A letter from Cullip Holdings Ltd for a development agreement to construct three buildings totaling 11 units in Onslow was the first piece of correspondence to come before municipal council on June 29th. The suggested project would include two quadruplexes and one triplex as rental units for seniors. The application was referred to the Planning Advisory Committee (PAC) for further consideration.

Council will respond to a May 29th letter from Karen Casey on behalf of residents in Valley concerning dissatisfaction on the condition of roads to advise her the J-class roads are part of the service agreement with TIR, which has been in existence since 1995; three other municipalities in the province operate with a similar cost sharing process regarding provincially owned J-Class roads, and even though the municipality has agreed to pay its frontage share for repaving, the residents have refused to participate by paying their share.

Council will respond to Thomas Dunn, 97 Peppard Drive, Onslow Mountain explaining its policy on sale of surplus recreational property. The home owner inquired if recreation lot behind his property was for sale. Council decided a request from the Shriners Holiday Magic Show for advertising support in its magazine be received for information.

An application from MacLeod Group Health Serv-

ices to rezone to pieces of property located at 2037 and 2043 on Irwin Lake Road was referred to PAC. MacLeod Group wants the property zoning to change from Residential to Institutional. The properties were previously known as Williams County Homes for Special Care but are now known as the MacLeod House Truro, an assisted living facility.

An email request from Al McNutt requesting council to fly the Rainbow Flag during the week of July 24-29 was refused. Council will reply with a letter stating its policy permits only the Federal, Provincial and Municipality flags be flown. The policy was established in 2008.

David Hill, chair Bayhead Property Owners Association wrote to council expressing disappointment the county would not collect a levy from property owners in the association and asked for council to reconsider its position.

The building activity report for the month of May indicates 58 issue permits valued at \$4.452-Million were approximately \$320,000 below May 2016 at \$4.785-Million. However the calendar year for the first five months shows an increase of 512.47% over similar period in 2016. 181 permits with value of \$24.753-Million is an increase of \$8.41-Million over last years 194 permits valued at \$16.34-Million. During May 2017 seven permits valued at \$278,000 were issued for West Colchester areas.

Breakfast is Most Important

By Chris Urquhart

It is important to eat a good, healthy breakfast. Dry cereal can be a good option for breakfast at home or on the go — if you make healthy choices, that is. Three key features to consider are fiber, calories and sugar.

Choose cereal that has at least 3 grams of fiber a serving, but aim for 5 or more. Opt for cereal with fewer than 160 calories a serving if you're dieting. And because many cereals, even those for adults, can be high in added sugar, avoid those that list sugar among the first few ingredients.

Choose 2% or skim milk for your cereal as well. Milk is very important to have at any age, but especially as we get older and our bones get more brittle.

Remember, breakfast is the most important meal of the day!

Donna Gratto wins UCW Wreath

By Chris Urquhart

Masstown UCW will meet on Thursday November 2nd, 7pm, at the home of Irene Gratto. All ladies welcome. You are reminded that we are to bring in items for the children's gift bags for the hospital - small toys, crayons, coloring books, sticker books etc. as well as the extra-large baggies.

Thanks to all who helped out in any way with our recent Harvest Breakfast, it was very tasty! Not as many folks showed up as we had hoped for but we are thankful to all of those who did! Donna Gratto won the wreath, which was created by Kathleen Purdy. Thanks Kathleen, it was a beautiful wreath!

Deadline for the December issue of The Shoreline Journal is Nov 21

The Savvy Shopper

in Downtown Truro

The Downtown has several new businesses. AA Warehouse Boots and More next to Acropole, Levels Game Loft (great gaming for all ages) and the new Canadian Dollar Store all on the Esplanade. Hub Grub is relocating to Inglis Place, watch for developments and the Alderberry Village expansion is huge. Dropwise Aromatherapy is located in the west end. All this exciting activity leading up to Christmas and the World Junior A Hockey Challenge in December. The Downtown Partnership sets the mood with the traditional tree lighting on November 17 at Civic Square and the Santa Clause Parade on November 18.
