Debert Elementary Notes

By Erma Cox

September the 8th saw students at Debert Elementary "in the pink" as students and staff participated in the "Stand up Against Bullying Day" by wearing pink clothing for the day. Teachers also expanded on this theme in their classrooms where lessons were taught about appropriate ways to treat one another every day of the year.

We look forward to our second annual Fall Fiesta this Thursday September 22. If you were not here to enjoy the fun last year, don't miss out again. This is an evening (4:30-7:00 pm) of FUN, Food and Friendship. Students enjoy the bouncy houses, fish pond, golf putt and other games. There is something for everyone as adults can enjoy a meal of chili or corn on the cob while participating in the auction or viewing books at our book fair. This is meant to be an evening to bring our friends and families together so feel free to bring people from neighboring schools or other communities with you to enjoy the evening.

On September 30th all students will be participating in the Terry Fox Run. Students have determined that they not only want to exceed their fund-raising attempts from last year but they want to reach some milestones that will allow for rewards within the school for their efforts. We have reached the \$300.00 milestone, but I am sure this is only the beginning as this school and community has shown over and over again their determination to assist others in need.

We are also pleased to have Mrs. Loughhead return to our school this year teaching grade four and welcome Mrs. Brownell to our grade five classroom and Mrs. Taggart as an Educational Assistant. We would also like to welcome Mrs. Dickey back to Debert teaching grade two. We have also had the pleasure of having a Korean student come work with us again this year. Ms. Kim will be starting her year off in the grade four classroom with Mrs. Loughhead.

Painting Parrsboro Band Hall

Now that the weather seems to be cooperating a bit more, the Parrsboro Band Hall executive wants to continue with exterior painting of the hall. There is very little remaining to be done on the walls by the parking lot. The executive is seeking the assistance of some volunteers to pitch in and help. Painting times are restricted, for the time being, to Mondays when The Hall is vacant (even the actors deserve a day off). If you could help, please call the Facilities Chair, Patricia Burke, at 902-728-2015
