RE-ELECT Karen Casey in Colchester North

PRIORITIES

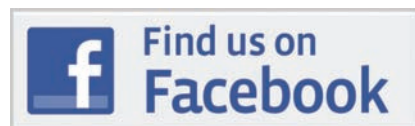

- the constituents in Colchester North
- supporting our farmers – buying local, eating fresh
- protecting consumers from rising power rates
- funding public schools so teachers can teach/students can learn
- providing more doctors and nurses in rural Nova Scotia
- reducing wait times for services in our health care system
- ensuring quality health care close to home
- building a strong rural economy by supporting and respecting small business owners
- protecting our environment from fracking and the disposal of waste water from hydraulic fracturing
- securing funding to continue to support local organizations and community projects
- spending your taxpayers' dollars more wisely
- investing in our youth through education, apprenticeship and jobs
- improving roads and bridges, including subdivisions through both short term and long term planning
