The Veterans Memorial Park are ordering Remembrance Day wreaths soon.if you don't have yours ordered contact Heather Robinson.They are also looking for nominations for military mother for 2014.There will be a service at the park on November 11.

Sunday October 5th is Thomas Cove Appreciation Day. If you love the Cove like I do come on out and help celebrate what a great place it is.Wear your work boots and gloves to give a hand at cleaning some trails and such up. Stay and enjoy a lunch time BBQ ...let Alexia know if you plan to have lunch there at 647-2271 or if you want some more info on the day.

The Bass River Baptist Church is celebrating its 172nd Anniversary on Sept.28 at 7pm. There will be a guest speaker and special music and refreshments to follow the service.

The Riverside United Church is making Apple Crisp, Saturday

October 4th, place orders with one of the ladies for an 8x8 pan of U-bake it apple crisp by Sept 30th so they know how many apples to peel . \*note\* Christmas Eve service is in Bass River this year.

Hope everyone got their gardens harvested before the frost. The nights are getting colder and that means Thanksgiving and Halloween are just around the corner. Enjoy the fall colors this year and maybe while you are out for a drive looking at the leaves you will find a fall auction or supper along the shore. Enjoy the trail and stay safe.

## Belmont Notes

By Debbie Weatherby

During the week of August 25th to the 29th the Belmont United Baptist Church was full of activity and enthusiasm as 22 children went on an adven-

ture to Son Treasure Island in search of the treasure of God's Love during the week of August 25th to the 29th. Their captians were Paul Branscombe and Noah Lohnes from the Atlantic Baptist Women's Vacation Bible School Program, along with their "home hosta" Jim and Betty Barnhill. (Weatherby Photo)

Their captians Paul Branscombe and Noah Lohnes, sent from the Atlantic Baptist Women's Vacation Bible School Program, along with their "home hosta" Jim and Betty Barnhill and the Ladies of the B.U.B.C's church did an outstanding job of sharing God's love to the children of our community. Well done everyone and Thank you very Much.

You never know what Mother Nature is going to throw at you do you. (See photos elsewhere in this issue).

The Final race of the season for Belmont Mud Bogs was held on Saturday September 27th and was a one day event and will have been held by the time the paper goes to print so I imagine everyone had a blast as usual and by the looks of the field which look like a rag-

ing river on the 22nd should prove to be lots of good old hard work to get it ready again.

Events included: Diesel & Modified drags (on drag strip, not around the track); Belmont Style "street truck" drags(two trucks on track at

ing the same direction); Side x side car racing - Mud bog (4,6,8,modified) - \$150 bounty hole sponsored by Troy's Tire Centre-Double Heart DJ and canteen was on site.

Condolences go out to Marjanne Ord of Belmont on the loss of her beloved

## Kelly Eagles receives \$2,000 for Hillcrest Cemetery

North Star Masonic Lodge, Londonderry and the Grand Lodge of Nova Scotia combined with donations from individual members have presented a cheque in the amount of \$2,000 to the Hillcrest Cemetery, Londonderry. The money is being used for maintenance and an attempt will be made to identify Masonic members' grave sites.

The cheque was presented on September 4th at the lodge hall, Londonderry. Kelly Eagles, Hillcrest Cemetery

chair received the cheque from Elmer MacKinnon.

To raise additional maintenance funds, Hillcrest Cemetery held a roast beef fundraising dinner on September 20th and a week earlier a volunteer work get-together was held on September 13th.

Those who have been unable to attend the fund raising events or work parties, may make a further donation by contacting Kelly Eagles, 14 Bonaventure Drive, Debert, NS. B0M1G0

Came through here at 8:30 a.m. on Sept. 22nd and this is what I found when i tried to head back to deliver my mail, so of course wasn't able to cross and had to turn and head the other way but managed to get it done by doing a slight detour at the end of the Cross Roads as that bridge and road was not flooded but the fields were.
