## RASCALS Organizing Fall "DROP INS"

By Joy Laking

Hello everyone along Our Shore. RASCALS (Rural Association for Sustainable Communities Along our Shore) met the other evening and this fall we are hosting a few evening drop ins in different communities and in different halls along our shore.

The first such event will be held on Wednesday October 14 from 7 until 10 at the Great Village Café (formerly Saint James United Church). Everything is free and everyone is welcome.

It is entirely social so please come out and meet your neighbours. We

will have crib boards and cards and board games for anyone that wants to play a few games.

We would love to get folks from all the different communities at these events. If you would like to come but don't have a ride, we would post this on our RASCALS Facebook page and try to link you up with someone who could drive you.

If you are planning to come, please consider trying to fill up your car with others.

The next RASCALS business meeting is Wednesday Oct 21 at 7 pm at the Joy Laking Gallery. We would love to have new members for this too.

Natalie Porter, Onslow Belmont 4-H accepts the award for Junior Champion Horticulture Garden on behalf of her brother Timothy.
