

MILLBROOK FIRST NATION 2017 Pow Wow

Millbrook First Nation celebrated its 19th annual Pow Wow on Labour Day weekend. The event was moved to the holiday weekend hoping it would attract a much larger crowd. The number of attendees was about the same as in previous years. Organizers are planning to move the 2018 – 20th Anniversary Pow Wow back to its normal time slot in August. All photos by Maurice Rees, publisher.

Iller Door Systems

159 Truro Heights Road
902-895-1166

"We are pleased to have been chosen to supply the doors and entrance systems. We are very proud of supplying the large overhead roll up doors for East Coast International."

THANK YOU

East Coast International

and

Millbrook First Nation

We were pleased to be the HVAC contractor supplying several air exchanges and exhaust systems for the bays.

Bonnie's Sheet Metal Fabrication Shop Ltd.

Congratulations to  and 

on the opening of your new building. We are pleased to have supplied the insulated tilt-up pre-cast wall panels for this modern building. Background photo shows the wall panels, braced in place awaiting securing and roof installed.

Eastern Structural Precast Ltd.
Lohnes Road, Route 14,
Milford, NS B0N 1Y0
Tel: 902-758-2775
Fax: 902-893-3560

We were pleased to work with Millbrook First Nation to design, supply and install structural steel requirements for the new East Coast International dealership building at Truro Power Centre.

We wish you a successful future and look forward to additional opportunity to work at the Truro Power Centre.
