Playground Construction Has Begun

By Linda Harrington

Jennifer McKay says the Lower Onslow Community Centre has been planning a new play space for a while and they hope the surrounding communities will get a lot of use out of this more natural space. "It will focus on inclusion of all people while encouraging imagination and independent play," says Jennifer.

The Community Centre has received grants from both the county and the province. Scotia Bank has made a generous contribution, as well and the group has carried out their own fundraising efforts through Onslow Rocks. Lower

Onslow Preschool has contributed through many fundraisers they have done.

Jennifer is pleased to say they have also received community donations of cement from Glenholme Ready Mix, soil from the McKay family, stone from the McKay family, rental of equipment from Central Rentals and there is potentially of more donations to come.

The project will be completed this fall with a grand opening event soon afterwards. The playground committee would like to send a huge thank you to everyone who is helping to make this project come to life.

Volunteer John McKay makes sure the cement is level as work begins on the new Lower Onslow Community Centre Playground. Kerby Wallace, of Glenholme Ready Mix delivered the donated cement to Lower Onslow. (Harrington Photo)

Beach Combing Hike around Economy Point

The Kenomee Trail Society are inviting hikers to join them for a hike along the coastline in Economy from Cove Road to Thomas' Cove. View the low sandstone cliffs shaped by the tides and vast expanses of sea-bottom sand and mud exposed at low tide. Trail difficulty is listed as moderate over the 8 Km distance.

This event is part of Hike Nova Scotia's 2017 Fall

Guided Hike Series of 50 hikes across the province from September to November. Directions: Take Exit 12 on Hwy 104 (Masstown Market) to Hwy 2. Take Hwy 2 West to Economy. Turn left at Cove Road and follow it to the end of the road. A pink flag will mark the parking area.
