

Parrsboro Lighthouse Society Lighthouse Quilt

The Parrsboro Lighthouse Society fund raising campaign for a queen sized hand stitched Lighthouse quilt.

Over the period of 4 months \$1145.00 was raised and we wish to express our thanks for the wonderful support we recieved.

The manager of the Co-Op was kind enough to do the draw, and Rob drew the winning ticket. Kyle Harvey of Parrsboro was the happy winner, presented the quilt on 1st Beach at Parrsboro Sept 17th.

Hants County Family Named Woodland Owner of the Year

The Bremner family of Falmouth, Hants County, is the central region and provincial winner of the 2025 Woodland Owner of the Year Award. The family is receiving the award in memory of the late Jim Bremner, who won the regional award in 1995.

"We're pleased to honour the memory of Jim Bremner and his dedication to responsible and sustainable forest management, which he instilled in his daughters," said

Tory Rushton, Minister of Natural Resources. "Like many private woodlots around the province, the Bremners' Castle Frederick Farms is a family operation that helps preserve our forests and contributes to our economy."

The western regional winners are Judy and Glenn Rosse of South Scots Bay, Kings County, and the eastern regional winner is Brian MacEachern of St. Andrews, Antigonish County.

The awards honour private landowners for exceptional management of their woodlands and superior forestry practices on private land. They promote sustainable stewardship and raise public awareness about the significance of private woodlands in Nova Scotia.

Nominations were assessed based on integrated resource management practices, employing environmental standards, meeting sustainability goals, protection of wildlife habitats, enhancement of woodlots and understanding of forestry and woodlot management.

Truro Senior "A" Mosiak Bearcats Host First Public Event Ahead of Season Opener

By Savannah Barclay

The excitement was buzzing in Truro this past weekend as the Senior "A" Mosiak Bearcats welcomed the community to their very first public event. Fans of all ages gathered at the Rath Eastlink Community Centre to watch an action-packed intersquad game, giving everyone an early taste of the talent and energy the new Sr.A Bearcats are bringing to the ice this season.

After the game, the celebration moved outside for a classic community BBQ at Warmth by Design, where fans had the chance to meet and greet with the players. Smiles, laughter, and even a few autographs filled the afternoon as kids and

families connected with their hometown team.

The highlight of the day came with the official unveiling of the Bearcats' brand-new jerseys, a proud moment for the community as Senior A Hockey has not been on the ice since 1998 in Truro.

Of course, no Bearcats event would be complete without some fun competition, and local kids got their chance to go head-to-head with Bearcats players in a spirited ball hockey showdown.

The Bearcats' season officially kicks off on October 18, 2025, at the Colchester Legion Stadium, and after such a successful first event, there's no doubt the community is ready to cheer them on every step of the way.
