The Race across the ocean floor in the Bay of Fundy is happening again with the "Not Since Moses" run on August 11th across the mud and sand of the ocean floor at Five Islands. Adults can choose from a 5K or 10k run while kids can do "The Basket Run", 100 to 500 meters along the shore. The events success is both due to the many volunteers and over 100 sponsors in 2012.
