I Heard It At The Company Store

By **Wendy Cox**

Do you know what I heard...I heard that Miss Holly is off to Labrador to go to work for a bit....wishing you all the best Holly in this fabulous work opportunity and to see a little bit more of Canada. But I hope you get back for Miss Dan's wedding...it will be a quite a bash with all the gang coming home for it.

The blueberries and blackberries are ripening...so that means oh no...school will be starting in a couple of weeks. August has to be one of the fastest months to pass. One we would like to make a bit longer. Exhibition time and back to school sales are a sign for us to start thinking about getting the wood put in, prepare for winter. Yucky thought I know, but let's be realistic...it happens whether we want it or not.

As you are out for your daily walk...you can smell the fall smells of preserves being made...favorite smell next to Christmas smells.

The Bass River Heritage had their Heritage Day in August and there was a great turnout again this year. Participating this year to make it another success were the fire brigade, the Baptist Church, the United Church and the Volleyball Club along

with the heritage society. Thanks to all who helped and participated in any way. The winners in the kettle boil were Charlene Fletcher and Anna McFarlane congratulations to them.

The Annual Umbrella Relay Walk will be held on Sept. 13th. It's the 10th anniversary, so get out and walk or sponsor one of these walkers to support the United Churches in the area. The Stewards of the Riverside United Church are having a fall bulb sale...contact one to purchase these bulbs.

The ATV clubs have been busy with organizing some great runs...check for posters...one is going to Tatamagouche for the long weekend on a run. And on Sept. 20 there will be one going out of the Silica Rd. just past the fire tower.

Sorry I missed the July issue of the Shoreline...it was a busy time for me and I had a great time with my brother David while he was home from Calgary for a visit. So much to do during the summer it's hard to get everything you would like to do done. Enjoy the rest of August...it will be as busy as July was, I am sure. Watch out for those buses on Sept. 4th and good luck to those students going off to University. Stay safe.

It is hoped to get the League in gear by Friday, Oct. 3rd. For all the dart players come on out and have some fun, all darts players and would be dart players are welcome.

Happy Birthday wishes for August are passed along to Kelly Fletcher, Carl Kaulback, Eddie Murphy, Paul Eastcott, David Totten, Trevor Spencer, Loyal Crocker, Dave MacPhee, Shayne McCully, Harry Wilson, Ian Blackie, Linda Dykens and Angela Glen.

Happy Anniversary wishes for August are passed along to Stella and Carl Kaulback, Maureen and John Jessome, Helene and Eric McCully, Joanne and Steve Bennett, Deanna and Dan Martell.

Please don't forget to thank a Veteran, it is because of their sacrifice that we are able to enjoy our freedom and our Country. Please say a prayer for our troops who are serving in foreign countries and their families.

MacCaul Villa Notes

By **Hazel Hill**

Faith Baptist Church brought birthday cake on Monday, July 28th. They also came on Wednesday evening for the regular Bible Study.

We express our sympathy to the family of Donald Nelson. Donald was well known in the village, and well known for her music which she shared with us at the Villa many times coming to play the piano for us, and she was always willing to come.

Martha Hill, having spent a month with me, has returned to her home in Winnipeg on Monday, August 11th. On August 9th, I celebrated my 93rd birthday, with family and friends dropping in. I want to thank the friends for visits, gifts, cards, flowers and vegetables from their gardens, also the many phone calls and kind wishes. It made the day a memorable occasion. Those who came were, Gertie and Mrs. Miller, Audrey and Gary Staples, Art Chisholm, Carleton and Thelma, and Robert and family, and friends from the villa. Thanks to everyone.

There's not much news for this month, so will end with a little story.

Martha and I were in town one day, went to Murphy's

restaurant for our lunch. As we sat down, in the booth across from us, a man was being seated and Martha said, "Oh, there's Jim Dodsworth (Jim lives at the Villa), if there's no one with him I'll ask him to join us". And so she said, "Jim, are you alone?" He said he was so she said some sit with us, and he came right over and sat down beside her. And, after speaking to him, I got a good look and it wasn't Jim at all. He and Martha were talking and when I could I motioned to Martha, "That's not Jim Dodsworth". She shook her head, "No". And I said, "Who is it?" She said, "I have no idea!".

And with that I burst out laughing. He then said, "I'm not who you think I am". And we both said, "No", and all three of us just laughed and laughed.

He introduced himself and we also told him who we were and he told us, he thought he knew us and was trying to think who we were. Bu we had never met before. By then someone had already sat where he was, so we ate our lunch together and left. That was quite an interesting experience, I wonder how many people ever found themselves in that situation.
