

MacCaull Villa Notes

By Hazel Hill

Shirley Ryan spent a day recently visiting her daughter Tammy and son-in-law Danny Garnham at their new residence in Truro. Angus Withrow and Morris Eagles have both been on our 'sick list' recently. We wish them both a speedy recovery.

I celebrated my 44th -oops! 94th -birthday on August 9th. My family came for the day and brought a delicious supper, of course, with cake and ice-cream. I also wish to thank all who sent cards, phoned, and left messages on Facebook. I had a great day.

PHOTO ESSAY by Joanne Griffon (Portapique Beach)

Joanne Griffon and her husband have been picking up after beach partiers at Portapique Beach for years, but after being unable to leave home as the driveway was blocked, she decided to go public. Instead of spending a few hours cleaning up the beach, she decided to let her camera do the talking. These five photos show an array of debris strewn along the beach - coffee cups, shopping receipts, plastic bags, charred wood from a bonfire and tissue paper in between the rocks.
