"Not Since Moses" was again a great success this year in Five Islands. Hundreds of participants enjoyed a splendid maritime summer day on the floor of the Bay of Fundy. Next year's date is set for Sunday, August 21. (Tourism NS Photos)

Victoria Hall Renovation Fund Growing

By Wendy Cox

The Bass River Community Victoria Hall has been raising money for the last four months to put a new roof on the hall and for other upgrades. The support they have received from the community has been wonderful. The bottle drive has been an ongoing success raising over \$800.00 so far, and its still on, so if you have refundables at home or cottage just drop them off in the bin outside the hall.

We plan on doing this until the end of October and then again in the spring. Save your refundables during those snowy months for us. We are half way to putting a steel roof on. Hope this can be done before winter.

Maurice Rees, publisher of the Shoreline Journal called me the other day, offering the support of the Shoreline, by conducting a special subscription drive in the area. He's doing a mailing to every home served by the Bass River Post office, approximately 310 homes.

For every subscription purchased, the Shoreline will donate \$11.50 to the Victoria Hall renovation fund. Details will be in the flyer sent to each home, as well as being in the September issue. If you are

interested in participating, please have your letter post-marked by Monday, September 21st.

The next big fundraiser is on Friday September 11th at the Hall. This is where you will be able to listen to our own Bass River raised Julia McLellan and her best friend, Mike Cox entertain us, playing along with them we have our talented local musicians, Bill and Mike Elliott and Robert MacDonald. This will be an amazing evening of talent. Julia resides in Toronto and has been involved in many musical theatre productions, one being the Andrew Lloyd Webber production of The Wizard of Oz which travelled across Canada and the United States. Buy your tickets at Dominion Chair or at the Marigold Center and support the hall.

We want to thank everyone who has helped so far whether it be donating a pop bottle, a baked good, or a monetary donation at the store jar or by a donation in the mail. The support of the community shows we are doing what you want. Remember its your hall too.

Our next meeting is Wednesday September 2nd at 7pm at the hall. Hope to see you there.

Bass River's Victoria Hall is raising money for a new roof and other upgrades.

CHURCH SERVICES for September

By Christine Urquhart

Church services for the month of September are all at 10am, and rotating between our three preaching points.

September 6 - Masstown,

September 13- Debert,

September 20 - Glenholme,

September 27 - Masstown

We welcome you to any and all of our services.

Due to reduction in numbers at our services there are talks of closing two of our Church buildings. If this concerns you, start coming out to Church! Our Churches cannot stay open without you. We welcome you to any or all of our services.

We have Sunday School during each of these services and all children of all ages are welcome!

Deadline for the October issue of

The **Shoreline** Journal

is September 22
