Just because I can believe (An Olympic Oath)

Just because I can believe	Do you believe in love?
Do you believe in the magic of love	Do you believe we're not worlds apart
Do you believe in the heavens above	Do you believe in a healthy heart
Do you believe in the songs that we sing	Do you believe in sports and fame
Do you believe in the golden ring	Do you believe that fairness shall reign
Do you believe in love?	Do you believe in love?
Do you believe in the mist in our hair	Do you believe in a sing along
Do you believe in the world that we share	Do you believe we are proud and strong
Do you believe in the love in our eyes	Do you believe in a world set free
Do you believe in the earth when it cries	Do you believe in the knowledge tree
Do you believe in love?	Do you believe in love?
Do you believe in the babes in our arms	Do you believe in us!
Do you believe in the world that farms	
Do you believe in the world that we feed	
Do you believe in one world a world of need	

**God bless and Thank-you

Masstown Community News

By *Christine Urquhart*

Hard as it seems to believe but autumn is just around the corner! I see the birds starting to gather into flocks, there are mushrooms showing up on lawns and in fields and here and there the leaves are starting to turn. This leads me to ask: "what happened to summer?"

want to apologize for not having a column in last month, I was back in the hospital so couldn't reach my computer! Thanks to those of you who called, emailed and sent get well cards. Much appreciated.

The Masstown Community Association will meet on Monday August 29th, 7pm, in the restaurant part of the Masstown Market. Everyone Welcome! We need to find a way to make some money because we are broke! Bring ideas to this meeting please!

Things start back up in September! The DGM Men's Club will hold their breakfast meeting on Saturday September 3rd, 8am, at the Double C Restaurant. All men welcome! Masstown UCW will meet on Thursday September 8th, 7pm, at the home of Irene Gratto. All women welcome!

Our children start back to

school in September. Some of these children have never been to school before and will be very excited (or crying) and may not notice your vehicle driving down the road. Please keep an eye out for them, they are our future.

I wish to congratulate Beth Murray on her recent trip to Finland to play hockey. Beth and her mom, Cara made the trip with 15 other girls from across Nova Scotia to play in a large tournament. Although the team came in 5th they played well and were good sports. Beth Murray was named as one of four best players on her team. This was a great experience for her!

Congratulations to Kaitlyn Barley and Andy Claybourne on the birth of their son, Jackson Alexander Claybourne.

Travelers have been traveling! Bill and Shirley Leeming spent a few days in Winnipeg visiting daughter Jennifer and her family. Pat Guilderson's brother and his wife visited for a week. Jack Barley's cousin Betty's daughter Mary Jean (Williams) and Lenny of New York visited Jack and Mary. Mary Foster of Fredericton and her daughter Donna and Marty Ryan of Petawawa Ontario also visited

Jack and Mary Barley. Owen and Elsie Rudolph went to the Clarke and Hutt family reunion in Bible Hill at Obie and Jean Sanford's Place. Great food and lots of fun! Anthony Hayman of Burbank California visited his sister Christine Urquhart and her husband Ron. Doug Hayman and his partner Jane of Victoria BC visited his cousin Christine and Ron Urquhart. Doug and Anthony had

a great time during their visit - they hadn't seen each other in 50 years! Bert and Marjorie Akerman of Paris Illinois visited his sister Ellen Putnam. Paul and Cathy Akerman of St. John NB visited his sister Ellen Putnam.

Enjoy the good weather while it is here. Enjoy the rain as it waters the earth. Enjoy your family and friends while they are on this earth. Always be thankful.
