32nd Don Yorke Memorial Softball Tournament

By *Lawrence R. Nicoll*

The sun shone and the balls flew at the 32nd Don Yorke Memorial Softball Tournament in Parrsboro the July 29-30 weekend. Great weather allowed a stiff pace as the teams competed moving toward the final between the Gladiators and the Giants

The Giants substantial lead suddenly began

to close as the Gladiators began to come together, in the end they ran out of innings and the Giants became the 2017 Champs. The spectators cheered and encouraged their teams throughout the two day tournament, many of the local folk filled the parking lots. Great food, great weather and great ball.

Breaking The Silence with a Rolling Barrage

By *Mark Rutherford*

The idea of The Rolling Barrage "started with one man's vision of a mass of steel horses traveling across Canada from one coast to the other, and that vision is about to become a reality!

Veterans, serving CAF members along with Law enforcement officers (LEO), First Responders, and folks that support them all, are all getting ready to kick off the inaugural Rolling Barrage 2017, a cross-country motorcycle ride starting August 5 in St. Johns Nfld and rolling West to Victoria B.C

THE ROLLING BARRAGE is presented Military Minds Inc., a web based, not for profit, peer support organization, that connects veterans, and ever increasingly LEO and First Responders, with PTSD help.

Dedicated to fighting the stigma associated with PTSD. Our team of international volunteers provides peer-support world-wide to veterans living with PTSD and assists them with

finding appropriate resources in their area both financially and physically. We encourage all those suffering in silence to come forward to help us BREAK THE SILENCE, and to recognize that they are not alone.

The ride is open to anyone that wants to participate and show their support. - as we recognize that PTSD knows no boundaries. They can join anywhere along the route, which includes stops in Truro, Ottawa, Winnipeg, Regina and Jasper, just to name a few. Designated stops will also feature entertainment, such as a Julian Austin concert in Edmonton.

If you would like to interview Military Minds Inc. CEO, and the best selling author of Ghostkeepers, Scott Casey, or any of the planning team as THE ROLLING BARRAGE passes through your area, please feel free to visit our web site and find a location nearest to you. www.militarymindsinc.com
