

*19th Annual Show & Shine*

# Fundy Shore AUTO CLUB.

## Parrsboro, Nova Scotia

The weekend of July 29-30th had many activities in Parrsboro, and one that is always a hit was the 19th Annual Show & Shine. Wonderfully restored, sparkling in the sun, so many memories for a good part of the audience, and marvels of beauty for the younger crowd. The weather couldn't have been more cooperative, and what a great turnout.

### **Now-heating & cooling at extremely low ambient temperatures!**

Our new **UltraV Series** features a wide operating range with higher capacities in low temperatures.

This allows the unit to operate in the cooling mode with 100% output even when the outdoor temperature is -18°C.

In the heating mode, the unit shows little to no loss of heating capacity, even in extreme winter conditions.

With this broad ambient range, the units are well suited to installations requiring year 'round con-ditioning, both residential and light commercial.

*Smart Energy*
