MISCELLANEOUS:

"Hurry, Worry, Bury" has been the epitaph suggested for many people in this century. The increasing number of patients taking drugs; the rising incidents of stress disease; the frequency of attempted suicide; reflect sadly on our modern society and demand an answer. I have no doubt that a proper regard for the Lord's Day would help improve these problems. Speaking as a physician there are good reasons physically, mentally and spiritually why we should set aside the first day of the week as a special day unto the Lord. Professor V. Wright.
