22ND Annual Show 'n Shine Great Success

By Lawrence R Nicoll

The Fundy Shore Auto Club held its 22nd Annual Show and Shine on the weekend of July 30-31. Cars began to roll in Saturday, and by Sunday filled the Lions Arena field and building. Lots of folks came out and it was nice to see car engines, I actually understood.

On Saturday July 30 the Show and Shine cars moved to Parrs-

boro Main St where the crowds were even bigger. As some of the photos show, Main Street was not only filled with automobile from recent past and many decades ago, but the attendance by regular attendees made it shoulder-to-shoulder. In fact, it was a very social event with many people, who had not seen one another in a while ambling amongst the vehicles, enjoying

both the cars and greeting friends.

There were attractions in addition to seeing friends and looking at the show and shine cars, there was lots of food and refreshments at Two Islands Brewing and the usual great tasting hot dog/sausage/French fry stand. In the background, music provided by Sweet Revenge was outstanding.
